Published online: 10 August 2023

## Publisher's Note

Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The Editor has retracted this article at the corresponding author's request. After the publication of this article, Aga Khan University undertook an inquiry, which revealed that the data presented in this article does not belong to the corresponding author, namely Salman Muhammad Soomar and the study dates mentioned in the article are incorrect. Additionally, the corresponding author has failed to provide a valid ethical approval document. Zeyanna Dhalla stated that she was unaware of the data ownership of this article. All authors agree to this retraction.
